

## NOTICE OF REGULAR MEETING OF THE BOARD OF COMMISSIONERS

## Wednesday, March 26, 2025, at 2:00 PM 315 14<sup>th</sup> Street Bay City, MI 48708

Meetings of the Bay City Housing Commission are held, in person, at its Central Offices. Covid protocols now only require face masks at the discretion of a meeting participant.

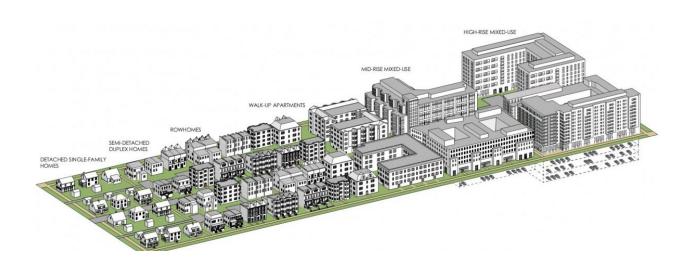

## RESOLUTION 431 PUBLIC MEETING ALIGNMENT WITH THE MICHIGAN OPEN MEETINGS ACT FOR REMOTE PARTICIPATION BY A BOARD MEMBER

WHEREAS, the Bay City Housing Commission, hereinafter called the Public Housing Agency (PHA), desires to better align its public meeting practices with the February 17, 2022 rendition of the Michigan Open Meetings Act 267 of 1976 as amended allowing remote attendance and participation in meetings of its Board,

RESOLVED, that the Board of Commissioners of the Bay City Housing Commission, hereby adopts and conforms its public meeting procedures to Section 15.263 15.263 Meetings, decisions, and deliberations of public body; requirements; attending or addressing meeting of public body; COVID-19 safety measures; tape-recording, videotaping, broadcasting, and telecasting proceedings; accommodation of absent members; remote attendance; rules; exclusion from meeting; exemptions. Subsection (2) established a procedure to accommodate the absence of any member of the public body due to military duty, a medical condition, or a statewide or local state of emergency or state of disaster declared pursuant to law or charter or local ordinance by the governor or a local official, governing body, or chief administrative officer that would risk the personal health or safety of members of the public or the public body if the meeting were held in person.

(ii) For each member of the public body attending the meeting remotely, a public announcement at the outset of the meeting by that member, to be included in the meeting minutes, that the member is in fact attending the meeting remotely.

## SMITH & KLACZKIEWICZ, PC CERTIFIED PUBLIC ACCOUNTANTS

THOMAS J. SMITH, CPA (989)751-1167 ROBERT R. KLACZKIEWICZ, CPA (989)751-3064

A VETERAN OWNED BUSINESS

March 20, 2025

To the Board of Commissioners Bay City Housing Commission

We have audited the financial statements of the business-type activities and the aggregate remaining fund information of the *Bay City Housing Commission* for the year ended September 30, 2024. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, *Government Auditing Standards* and the Uniform Guidance, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated October 2, 2024. Professional standards also require that we communicate to you the following information related to our audit.

#### Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the *Bay City Housing Commission* are described in Note A to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2024. We noted no transactions entered into by the *Bay City Housing Commission* during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimates affecting the Housing Commission's financial statements were:

Management's estimate of the useful lives of depreciable assets is based on the length of time it is believed that those assets will provide some economic benefit in the future. We evaluated the key factors and assumptions used to develop the useful lives of those assets in determining that they are reasonable in relation to the financial statements taken as a whole.

Management's estimate of the accrued compensated absences is based on current vested hours in employee banks, current hourly rates and policies regarding payment of accrued compensated absences upon separation from employment. We evaluated the key factors and assumptions used to develop the estimate in determining that they are reasonable in relation to the financial statements taken as a whole.

The assumptions used in the actuarial valuations of the Organization's pension and other postemployment benefit plans are based on historical trends and industry standards. We evaluated the key assumptions used to prepare the valuations in determining that they are reasonable in relation to the financial statements taken as a whole.

The financial statement disclosures are neutral, consistent, and clear.

#### Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

#### Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to each opinion unit's financial statements taken as a whole.

#### Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

#### Management Representations

We have requested certain representations from management that are included in the management representation letter dated March 20, 2025.

#### Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the **Bay City Housing Commission's** financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

#### Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the *Bay City Housing Commission's* auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

THOMAS J. SMITH, CPA (989)751-1167 ROBERT R. KLACZKIEWICZ, CPA (989)751-3064

A VETERAN OWNED BUSINESS

#### INDEPENDENT AUDITOR'S REPORT

To the Board of Commissioners Bay City Housing Commission Bay City, Michigan

#### Report on the Audit of the Financial Statements

#### **Opinions**

We have audited the accompanying financial statements of the business-type activities and the aggregate remaining fund information of the *Bay City Housing Commission*, as of and for the year ended September 30, 2024, and the related notes to the financial statements, which collectively comprise the *Bay City Housing Commission's* basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities and the aggregate remaining fund information of the *Bay City Housing Commission*, as of September 30, 2024, and the respective changes in financial position, and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Basis for Opinions**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the *Bay City Housing Commission* and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the *Bay City Housing Commission's* ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the *Bay City Housing Commission's* internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the *Bay City Housing Commission's* ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and the required supplementary information, as identified in the table of contents, be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's

responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

#### Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Bay City Housing Commission's basic financial statements. The accompanying financial data schedules and schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the financial data schedules and the schedule of expenditures of federal awards are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

#### Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated March 20, 2025 on our consideration of the Bay City Housing Commission's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Bay City Housing Commission's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering Bay City Housing Commission's internal control over financial reporting and compliance.

RE: MANAGEMENT'S DISCUSSION & ANALYSIS FOR THE AUDIT OF THE FISCAL YEAR ENDED SEPTEMBER 30, 2024

#### **Background**

The Government Accounting Standards Board (GASB) Statement #34 became applicable to all state and local governmental entities, including Public Housing Agencies (PHA) such as the Bay City Housing Commission, with fiscal year beginning on and after October 1, 2003. The purpose of this Statement is to provide more understandable and useful financial reports to a wider range of users than did the previous model of reporting.

A key requirement of GASB 34 is the *Management's Discussion and Analysis* (MD&A). The MD&A is intended to provide the users of the financial statements with an objective, easily readable analysis of the entity's financial activities based on currently known facts, decisions or conditions, with a discussion of the positive and negative aspects of comparisons with the prior year. The analysis responds to Paragraph 11, subparagraphs (a) through (h) of GASB 34, which is presented in the following narrative.

(a) "A brief discussion of the basic financial statements, including the relationship of the statements to each other, and the significant differences in the information they provide."

The Bay City Housing Commission utilizes the Enterprise model of reporting under GAAP (Generally Accepted Accounting Principles), aggregating its major programs into combined financial statements. Major programs are groupings of related accounts that are used to maintain control over resources that have been segregated for specific activities or objectives. Combined financial statements of the Independent Audit Professional (IPA) are presented first, with more detailed combining program and project data (the financial data schedules) presented in the Other Supplementary Information section of the audit. The Bay City Housing Commission's major programs are its Conventional Low-Rent Public Housing, the Public Housing Capital Fund and the Section 8 New Construction programs.

<u>Statement of Net Position</u> – details the current (cash and cash-equivalent) and non-current (capital) assets as compared to current liabilities (payables) and equity (net position) as of the reporting year-end of 9/30/2024, or the total "worth" of the enterprise.

<u>Statement of Revenues, Expenses and Changes in Fund Net Position</u> – details the revenues received through operations, grants, interest or other sources during the year, less expenses for wages, benefits, utilities, maintenance, depreciation, and general expenses. The difference between the two is the net profit (or loss) for the year.

<u>Statement of Cash Flows</u> – details the flow and uses of cash from operations and capital/financing activities and adjusts the year's beginning cash balance by the net cash flow to arrive at the end of year balance. The statement further reconciles the year-end operating income (loss) to the net cash provided by operating activities.

- (b) "Condensed financial information derived from government-wide financial statements comparing the current year to the prior year. At a minimum, governments should present the information needed to support their analysis of financial positions and results of operations required in (c), below, including these elements:
  - Total assets, distinguishing between capital and other assets,
  - Total liabilities, distinguishing between long-term liabilities and other liabilities,
  - Total net position, distinguishing among amounts net invested in capital assets, restricted amounts and unrestricted amounts,
  - Program revenue, by major source,
  - General revenue by major source,

- Total revenues,
- Program expenses, at a minimum by functions,
- Excess (deficiency) before contributions to term and permanent endowments or permanent fund principal, special and extraordinary items, and transfers,
- Contributions,
- Special and extraordinary items,
- Transfers,
- Changes in net position,
- Ending net position

(c) "An analysis of the government's overall financial position and results of operations to assist users in assessing whether financial position has improved or deteriorated as a result of the year's operations. The analysis should address both governmental and business-type activities as reported in the government-wide financial statements and should include reasons for significant changes from the prior year, not simply state the amounts or percentages of change. In addition, important economic factors, such as changes in the tax or employment bases, that significantly affect operating results for the year should be discussed."

#### Assets/Liabilities (Balance sheet) refer to Table 1 under (b) above

The 25% decrease in Accounts Receivable is driven by a combination of government assistance programs to help individuals pay late rent and improved collection efforts at the property level. The assets associated with Pension and Postemployment Benefit Assets experienced an increase in value, 23%, driven by increasing values in the debt and equity markets. Deferred charges and other assets increased 5% on increased costs and the timing of payments for prepaid expenses. Capital assets net of depreciation saw a 2% decrease overall, this was driven by annual deprecation coupled with only a nominal annual outlay capitalized additions and improvements. The Deferred Outflows of Resources increased 6% on accounting adjustments and investment market valuations associated with the defined benefit pension fund. Overall, the assets of the housing commission increased 6%, primarily on the uptick in the value of assets held for the servicing of post-employment benefits.

Management's Discussion and Analysis Fiscal Year End 9/30/2024

The liabilities of the Housing Commission went up by 2%, primarily due to large payables for capital improvements made at the end of the fiscal year. Accrued Wages/Payroll Taxes decreased on the timing of accruals and payments of wages. Compensated absences decreased by 14% during the year, primarily for employees utilizing paid time off. Overall, the equity of the Housing Commission increased by 6%. This was primarily driven by market performance in the Retiree Health Insurance Trust and the value of assets as well as the restructuring of the retiree health insurance plan.

#### Revenue/Expenses (Income Statement) refer to Table 2 under (b) above

Overall, revenue for the Housing Commission decreased by 7% compared to 2023. Rental revenue increased by 10%, driven by a generous operating cost adjustment factor that went into effect during the fiscal year. HUD operating grants decreased by 24%. This is due to the timing of 2024 Public Housing Capital Grant Funds received and recognized for fiscal year 2024 during the 2025 fiscal year. Investment income increased by 44% for 2024 compared to 2023. This was the result of higher interest rates in the market as well as more capital being invested during the year. Other income increased by 35%. This was the result of the transfer from fiduciary component unit.

Administrative expenses were down 6.3% during 2024 resulting from a smaller change in the value of the defined benefit pension liability. Utilities were down 6%, mostly from decreased costs. General expenses were up 4% in 2024 mostly due to increases in insurance costs. Total expenses were up 35% compared to 2023, mostly driven by market performance and accounting adjustments associated with retiree health insurance and the defined benefit pension plan, as well as the restructuring of the retiree health insurance plan.

(d) "An analysis of balances and transactions of individual funds. The analysis should address the reasons for significant changes in fund balances or fund net position and whether restrictions, commitments, or other limitations significantly affect the availability of fund resources for future uses."

The Bay City Housing Commission does not have multiple funds. All programs as discussed herein are contained within one Enterprise Fund with subsidiary ledgers maintained for separate program activities (Conventional Low Rent, Capital Fund, Section 8 New Construction and Administration). In 2007 the Commission converted to Project-Based Budgeting and Accounting, which has expanded the Public Housing Program into subsidiary ledgers on a cost center basis, one for each property and one for a central administration office and is reported to HUD under its FASS/REAC financial data schedule (FDS). A new version of the FDS was promulgated in 2009 and is now the basis of this report. Refer to the Supplemental Data section of the audit for a presentation of the FDS information as submitted to HUD by the Housing Commission via the Financial Assessment Subsystem (FASS) of the Real Estate Assessment Center's Web Access Secure System (REAC/WASS).

(e) "An analysis of significant variations between original and final budget amounts and between final budget amounts and actual budget results for the general fund (or its equivalent). The analysis should include any currently known reasons for those variations that are expected to have a significant effect on future services or liquidity."

This analysis is not required under the Enterprise model where the primary function of the entity is a business-type activity.

(f) "A description of significant capital asset and long-term debt activity during the year, including a discussion of commitments made for capital expenditures, changes in credit ratings, and debt limitations that may affect the financing of planned facilities or services."

#### CAPITAL ASSETS AT YEAR-END

	9/30/2024	9/30/2023	
Land	\$1,672,180	\$1,672,180	0%
Buildings	\$32,229,193	\$31,708,401	2%
Furniture and Equipment	\$440,269	\$944,224	-53%
Construction in Progress	\$623,885	\$611,132	2%
Accumulated Depreciation	(\$28,923,531)	(\$28,794,972)	0%
TOTALS	\$6,041,996	\$6,140,965	-2%

At September 30, 2024 the Bay City Housing Commission's investment in capital assets, including land, buildings, and furniture & equipment decreased by 2% during the year. Furniture and equipment decreased by 53%. The result of removing assets no longer in service. There were fewer capital investments last year compared to this year. The decrease in the capital assets of the organization was mostly a function of depreciation recorded during the year.

Capital Improvements made to the Housing Commission's Public Housing inventory are accomplished through grant funding provided by HUD under the Capital Fund Program (CFP) as well as replacement reserve funds set aside by the Housing Commission. The CFP and its predecessor programs have been separately authorized and funded by Congress since the early '90s, providing a stable, formula-derived annual allocation to public housing developments specifically for these purposes. Replacement reserve funding is provided as a function of HAP contracts in the Housing Commission's multifamily properties.

(g) "A discussion by governments that use the modified approach to report some or all of their infrastructure assets..."

Not applicable to business-type activities under the Enterprise model.

(h) "A description of currently known facts, decisions or conditions that are expected to have a significant effect on financial position (net position) or results of operations (revenues, expenses, and other changes in net position)."

#### **Portfolio Operation**

The Bay City Housing Commission continues to be a market leader with respect to its management portfolio. Economic and physical occupancy continue to modulate between 98% and 99%, HUD reviews continue to yield favorable results, and the physical condition of the properties continues to be strong. The customer service orientation of the Housing Commission combined with an asset management focus creates assurances that the portfolio will continue to perform well into the foreseeable future.

#### **Financial Operations**

The overall financial performance on the real estate portfolio continues to be between strong to adequate, depending on the specific asset. During the fiscal year, there were no troubling deviations from overall expectations. However, heading into the future, economic uncertainty and turbulence in the Federal Government represent a legitimate concern for the performance of the portfolio. However, adequate organizational reserves offer a short to medium term buffer, which should enable the assets to continue to serve their mission at a high level without interruption until funding levels strike equilibrium with operating costs.

The performance of assets reserved for the service of guaranteed retiree benefits has been relatively weak since the conclusion of the fiscal year. However, the fluctuation in value doesn't pose any immediate threat or benefit to the operations of the Housing Commission. The reduction in the value of assets in the defined benefit pension plan poses a slightly larger threat to the financial health of the organization. These liabilities and assets are continually monitored and managed to ensure that the historical volatility associated with these types of legacy costs doesn't impair the Housing Commission's ability to service its customers and successfully achieve its mission.

#### CONTACTING THE HOUSING COMMISSION'S MANAGEMENT

Our financial report is designed to provide our citizens, taxpayers, investors, and creditors with a general overview of the Housing Commission's finances and to demonstrate the Housing Commission's accountability for the funding it receives and the assets it is entrusted to operate, maintain and improve. If you have questions about this report or wish to request additional financial information, contact:

#### **Notes to Financial Statements**

For the Year Ended September 30, 2024

#### **NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The accounting policies adopted by the *Bay City Housing Commission* (the "*Housing Commission*") conform to accounting principles generally accepted in the United States of America (U.S. GAAP) as applied to governmental entities. The Housing Commission reports as a business-type activity, as defined by the Governmental Accounting Standards Board Statement No. 34, with programs and projects.

#### **Reporting Entity**

The *Bay City Housing Commission* was formed by the Commission of the City of Bay City, Michigan under Public Act 18 of 1933 of the State of Michigan. The Housing Commission operates under a Board of Commissioners appointed by the City Manager. Members of the Housing Commission Board may be removed by the City only for cause. The Housing Commission determines its own budget, sets rental rates and may issue debt in its own name. The City is not responsible for deficits or liabilities of the Housing Commission. However, the Housing Commission makes annual payments "in lieu of taxes" to the City. Therefore, a financial benefit exists for the City, thereby requiring that the *Bay City Housing Commission* be reported as a discrete component unit of the City of Bay City, Michigan.

The Housing Commission's financial reporting entity is comprised of the special purpose government. In determining the financial reporting entity, the Housing Commission complies with the provisions of GASB Statement No. 14, as amended by GASB Statement No. 39, "The Financial Reporting Entity" and includes all component units, if any, of which the Housing Commission appoints a voting majority of the units' Board; the Housing Commission is either able to impose its will on the unit or a financial benefit or burden relationship exists. There are no agencies, organizations or activities that meet the criteria.

These financial statements include all activities of the Housing Commission, which include a Low Income Housing Program (193 units) and a multi-family Rental Assistance Demonstration Project (370 units). These programs receive subsidies and annual contributions from the Department of Housing and Urban Development ("HUD").

#### **Fiduciary Component Unit**

The Bay City Housing Commission Retiree Benefits Plan (the "Plan") is a single-employer defined benefit postemployment healthcare plan established and administered by the Bay City Housing Commission to provide medical and healthcare benefits for retirees. Eligible participants include any retirees who retire from the Housing Commission and meet certain criteria identified in the funding policy. Association provisions are established and may be amended by the Bay City Housing Commission Board of Commissioners.

#### **Notes to Financial Statements**

For the Year Ended September 30, 2024

#### **Measurement Focus and Basis of Presentation**

The economic resources measurement focus and the accrual basis of accounting are used in preparing the financial statements. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows.

Proprietary funds distinguish operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the Housing Commission are federal grants and charges to tenants for rent and other services. Operating expenses include housing assistance payments, administrative expenses and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses. Following is a description of the Housing Commission's programs:

Project MI024000100 accounts for the revenue and related operations of the Public and Indian Housing grant and the Capital Fund Program for Scattered Sites.

14.182 Section 8 New Construction Program accounts for the revenue and related operations of the Rental Assistance Demonstration grant program.

Central Office Cost Center accounts for the revenue and related operations of the administrative offices.

When both restricted and unrestricted resources are available for use, it is the Housing Commission's policy to use restricted resources first, then unrestricted resources as they are needed.

#### Assets, Liabilities, Deferred Outflows of Resources and Net Position

#### **Cash and Cash Equivalents**

The Housing Commission's cash and cash equivalents are considered to be cash on hand, money market funds, demand deposits and certificates of deposit with original maturities of 90 days or less.

The entire amount of cash – restricted recorded on the Statement of Net Position has been restricted since it can only be used for replacement reserves.

#### **Receivables and Payables**

All receivables and payables are reported at their gross value and, where appropriate, are reduced by the estimated portion that is expected to be uncollectible.

Activity between the programs that are representative of lending/borrowing arrangements outstanding at the end of the fiscal year are referred to as either "interprogram due to/from" (i.e., the current portion of interprogram loans).

#### **Notes to Financial Statements**

For the Year Ended September 30, 2024

#### **Prepaid Expenses**

Certain payments to vendors reflect costs applicable to future fiscal years and are recorded as prepaid expenses.

#### **Inventory**

Inventory is valued at the lower of cost (First in, First out) or market. Inventory consists of expendable supplies held for consumption. The cost of supplies is recorded as an expense at the time the inventory is consumed.

#### **Capital Assets**

Capital assets, which include property, buildings, improvements and equipment, are reported in the financial statements. Capital assets are defined by the Housing Commission as assets with an initial, individual cost of more than \$5,000 and an estimated useful life in excess of one year. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed. The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend assets lives are not capitalized. Donated capital assets are recorded at estimated fair market value at the date of donation.

Major outlays for capital assets and improvements are capitalized as projects are constructed. Interest incurred during the construction phase of capital assets of business-type activities is included as part of the capitalized value of the assets constructed.

Depreciation is recorded over the estimated useful lives of the assets, using the straight-line method as follows:

Buildings	20 to 40 years
Furniture, equipment and	
machinery – dwelling	3 to 10 years
Furniture, equipment and	
machinery – administration	3 to 40 years
Leasehold improvements	5 to 20 years

#### **Compensated Absences**

It is the Housing Commission's policy to permit employees to accumulate a limited amount of earned but unused sick leave and paid time off. The cost of accumulated sick leave is recognized when administrative employees are eligible to retire and is paid to the employee upon retirement at 50% of their rate of pay, up to 1,600 hours. Additionally, all employees can carry over a maximum of 80 hours of paid time off annually (PTO). Earned PTO for all employees is paid at separation from employment. The cost of PTO is recognized once it has accrued to the employee.

#### **Notes to Financial Statements**

For the Year Ended September 30, 2024

#### **Deferred Outflows of Resources**

In addition to assets, the Statement of Net Position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element represents a consumption of net position that applies to a future period and so will not be recognized as an outflow of resources (expense / expenditure) until then. The Housing Commission has one item that qualifies for reporting in this category, which is the deferred outflows of resources related to the defined benefit pension plan. The deferred outflows of resources related to the defined benefit pension plan are reported in the Statement of Net Position. The deferred outflows of resources result from one transaction: the variance between the plan's actual investment earnings compared to the plan's assumed investment earnings.

#### **Deferred Inflows of Resources**

In addition to liabilities, the Statement of Net Position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element represents an acquisition of net position that applies to a future period and so will not be recognized as an inflow of resources (revenue) until then. The Housing Commission has one item that qualifies for reporting in this category, which is the deferred inflows of resources related to the OPEB plan. The deferred inflows of resources related to the OPEB plan are reported in the Statement of Net Position. The deferred inflows of resources resulted from two transactions: (1) the differences between expected and actual experience and (2) changes in assumptions. These amounts are deferred and will be recognized as inflows of resources in the period that the amount becomes available.

#### **Equity**

Equity is classified as net position and reported as the following components:

Net investment in capital assets - Consists of capital assets at historical cost, net of accumulated depreciation.

Restricted – Consists of HUD's required amount of replacements reserves (\$3,040,383). These excess funds may only be used for the replacement of equipment or improvements and require HUD's approval prior to using. The remaining balance (\$4,306,970) consists of the amount of the net OPEB asset.

*Unrestricted* – Consists of all other equity that does not meet the definition of "restricted" or "net investment in capital assets".

#### **Revenues and Expenses**

Operating revenues and expenses are those that result from providing services and producing and delivering goods and/or services. Also included are all revenue and expenses not related to capital and related financing, noncapital financing, or investing activities. Expenses are classified as operating and nonoperating.

#### **Notes to Financial Statements**

For the Year Ended September 30, 2024

#### **Estimates**

In preparing financial statements in conformity with U.S. GAAP, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### NOTE B - DETAILED NOTES ON SELECT ACCOUNTS / TRANSACTION CLASSES

#### **Cash and Cash Equivalents**

At year-end, the carrying amounts of the Housing Commission's deposits were as follows:

Financial Statement Captions	Carrying Amount
Cash and cash equivalents Cash – restricted Cash – tenant security deposits Fiduciary Component Unit	\$ 6,382,645 3,040,383 188,549
Market funds	5,969,842 \$ 15,581,419
Notes to Financial Statements Deposits Fixed income Market funds - MERS	\$ 6,051,507 3,560,070 5,969,842 \$ 15,581,419

#### **Deposit and Investment Risk**

State law limits the allowable investments and the maturities of some of the allowable investments as identified in the following list of authorized investments.

- Bonds, securities, other obligations and repurchase agreements of the United States, or an agency or instrumentality of the United States
- Certificates of deposit, savings accounts, deposit accounts or depository receipts of a qualified financial institution
- Commercial paper rated at the time of purchase within the 2 highest classifications established by not less than 2 standard rating services and that matures not more than 270 days after the date of purchase
- Bankers acceptances of United States banks
- Obligations of the State of Michigan and its political subdivisions that, at the time of purchase are rated as investment grade by at least one standard rating service

#### **Notes to Financial Statements**

For the Year Ended September 30, 2024

- Mutual funds registered under the investment company act of 1940 with the authority to purchase only investment vehicles that are legal for direct investment by a public corporation
- External investment pools as authorized by Public Act 20 as amended through December 31, 1997

#### Interest Rate Risk

The Housing Commission's investment policy does not have specific limits in excess of State law on investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates. There is no stated maturity date for the Housing Commission's investment in the MERS Total Market Fund. At year-end, the balance in the MERS Total Market Fund was comprised of the following:

Investment Type	% of Pool Total	Maturity in Years
U.S. stocks	21.8%	Not applicable
International stocks	18.9%	Not applicable
Emerging market stocks	7.7%	Not applicable
U.S. Treasury Bonds	17.7%	Not available
U.S. High Yield Bonds	0.5%	Not available
Emerging market bonds	5.1%	Not available
Short duration bonds	2.8%	Not available
Private markets	25.4%	Not applicable

#### Credit Risk

The Housing Commission's investment policy allows for investments in the MERS Total Market Fund and does not have specific limits in excess of State law on investment credit risk. The Housing Commission's investments are not rated as to risk. The MERS Total Market Fund is required to comply with State laws.

#### Custodial Credit Risk – Deposits

Custodial credit risk is the risk that in the event of a bank failure, the Housing Commission's deposits may not be returned. State law does not require and the Housing Commission does not have a policy for deposit custodial credit risk. At year-end, \$5,540,043 of the Housing Commission's bank balance of \$6,040,043 was exposed to custodial credit risk because it was uninsured, however, it was partially collateralized with government securities with a market value of \$4,847,407.

#### Custodial Credit Risk – Investments

For an investment, custodial credit risk is the risk that, in the event of the failure of the counterparty, the Housing Commission will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. State law does not require a policy for investment custodial credit risk. The Housing Commission's investment policy does not address custodial credit risk for investments. As of September 30, 2024, \$3,560,070 of the fixed income balance was exposed to custodial credit risk because it was uninsured and

#### **Notes to Financial Statements**

For the Year Ended September 30, 2024

uncollateralized. Custodial credit risk associated with the MERS Total Market Fund cannot be determined because the investments do not consist of specifically identifiable securities.

#### Concentration of Credit Risk

State law limits allowable investments but does not limit concentration of credit risk. The Housing Commission's investment policy does not have specific limits in excess of State law on concentration of credit risk.

The Housing Commission categorizes its fair value measurements of investments within the fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on the valuation inputs used to measure the fair value of the asset. Level 1 inputs are quoted prices in active markets for identical assets; Level 2 inputs are significant other observable inputs; Level 3 inputs are significant unobservable inputs.

The Housing Commission holds investments that are measured at fair value on a recurring basis. Because investing is not a core part of the Housing Commission's mission, the Housing Commission determines that the disclosures related to these investments only need to be disaggregated by major type. The Housing Commission chooses a tabular format for disclosing the levels within the fair value hierarchy.

The Housing Commission categorizes its fair value measurements within the fair value hierarchy established by U.S. GAAP. The Housing Commission had the following recurring fair value measurements at year-end:

Investments	<u>Level</u>	<u>Maturities</u>	Fair Value	Rating
MERS Total Market Fund	2	n/a	\$ 5,969,842	n/a

#### **Accounts Receivable**

The accounts receivable balance is comprised of the following:

Due from HUD	\$ 8,150
Miscellaneous	72,988
Tenant receivables	 34,195
- · · · · ·	
Total receivables	\$ 115,333

#### <u>Inventory</u>

The year-end balance in inventory is comprised of the following:

Inventory	\$ 35,464
Less allowance for obsolete inventory	 
Total inventory, net	\$ 35,464

#### **Notes to Financial Statements**

For the Year Ended September 30, 2024

### **Capital Assets**

Capital asset activity for the year was as follows:

	Beginning Balance	Additions	Disposals	Ending Balance
Capital assets not being depreciated Land Construction in progress	\$ 1,672,180 611,132	\$ - 12,753	\$ -	\$ 1,672,180 623,885
Total capital assets not being				
depreciated	2,283,312	12,753		2,296,065
Capital assets being depreciated Buildings	31,708,401	467,322	-	32,175,723
Furniture, equipment and machinery – dwelling	771,723	53,469	(481,563)	343,629
Furniture, equipment and machinery – administration	172,501		(22,391)	150,110
Total capital assets being depreciated	32,652,625	520,791	(503,954)	32,669,462
Less accumulated depreciation	(28,794,972)	(632,513)	503,954	(28,923,531)
Net capital assets being depreciated	3,857,653	(111,722)		3,745,931
Total net capital assets	\$ 6,140,965	\$ (98,969)	<u>\$</u> -	\$ 6,041,996

<u>Compensated Absences</u>
The following is a summary of changes in accrued compensated absences for the year:

				Amount
		Net		Due
	Beginning	(Decrease)	Ending	Within
	Balance	Increase	Balance	One Year
Accrued compensated absences	<u>\$ 201,302</u>	<u>\$ 1,457</u>	\$ 202,759	\$ 202,759

#### **Notes to Financial Statements**

For the Year Ended September 30, 2024

#### NOTE C - AGENT DEFINED BENEFIT PENSION PLAN

#### **Plan Description**

The Housing Commission participates in an agent multiple-employer defined benefit pension plan administered by the Municipal Employees' Retirement System of Michigan (MERS of Michigan) that covers all full-time employees of the Housing Commission. MERS was established as a State-wide public employee pension plan by the Michigan Legislature under PA 135 of 1945 and is administered by a nine-member retirement Board. MERS issues a publicly available financial report which includes the financial statements and required supplemental information of this defined benefit plan. This report can be obtained at www.mersofmichigan.com or in writing to MERS at 1134 Municipal Way, Lansing, Michigan 48917.

#### **Benefits Provided**

The Plan provides certain retirement, disability, and death benefits to plan members and beneficiaries. PA 427 of 1984, as amended, established and amends the benefit provisions of the participants in MERS. Retirement benefits are calculated as 2.5% of the employee's final three-year average salary times the employee's years of service. Normal retirement age is 60 years, with early retirement at 50 with 25 years of service or 55 with 15 years of service. The vesting period is 6 years. Employees are eligible for non-duty disability benefits after 10 years of service and for duty-related disability benefits upon hire. Disability retirement benefits are determined in the same manner as retirement benefits but are payable immediately without an actuarial reduction. Death benefits are always the larger of the benefit computed as a contingent survivor beneficiary or 85% of accrued retirement allowance benefit.

Benefit terms provide for annual cost-of-living adjustments to each employee's retirement allowance subsequent to the employee's retirement date of 2%. Benefit terms, within the parameters established by MERS, are generally established and amended by authority of the Housing Commission.

#### **Participants Covered by the Benefit Term**

At the December 31, 2023 measurement date the following participants were covered by the benefit terms:

Inactive plan members or beneficiaries currently receiving benefits	22
Inactive plan members entitled to but not yet receiving benefits	-
Active employees	2
Total participants	24

#### **Notes to Financial Statements**

For the Year Ended September 30, 2024

#### **Contribution Requirements**

Article 9, Section 24 of the State of Michigan constitution requires that financial benefits arising on account of employee service rendered in each year be funded during that year. Accordingly, MERS retains an independent actuary to determine the annual contribution. The Housing Commission is required to contribute at an actuarially determined rate; the current rate is \$0 per month. Employees are required to contribute 2% of gross wages. The contribution requirements of the Housing Commission are established and may be amended by the Retirement Board of MERS. The contribution requirements of plan members are established and may be amended by the Housing Commission, depending on the MERS contribution program adopted by the Housing Commission.

#### **Net Pension Liability**

The net pension liability reported at September 30, 2024 was determined using a measure of the total pension liability and the pension net position as of December 31, 2023. The December 31, 2023 total pension liability was determined by an actuarial valuation performed as of that date.

Changes in the net pension liability during the year were as follows:

	Inc	Increase (Decrease)		
Changes in Net Pension Liability	Total Pension Liability	Plan Net Position	Net Pension Liability (Asset)	
Beginning balance	\$ 8,978,428	\$ 7,592,953	\$ 1,385,475	
Service cost	13,524	-	13,524	
Interest Differences between expected and	620,114	-	620,114	
actual experience Changes in assumption	4,750 57,834	-	4,750 57,834	
Employer contributions Employee contributions	-	65,880 1,859	(65,880) (1,859)	
Net investment income (loss)	-	813,646	(813,646)	
Benefit payments Administrative expenses	(697,004)	(697,004) (17,327)	17,327	
Other Net changes	<u>6,045</u> 5,263	167,054	<u>6,045</u> (161,791)	
Ending balance	\$ 8,983,691	\$ 7,760,007	\$ 1,223,684	

#### **Notes to Financial Statements**

For the Year Ended September 30, 2024

#### Pension Expense and Deferred Outflows of Resources Related to Pensions

During the year the Housing Commission recognized pension expense of \$171,806. At year-end, the Housing Commission reported deferred outflows of resources from the following sources:

	Deferred	
	Outflows of	
Description	Resources	
Net difference between projected and actual		
earnings on pension plan investments	\$ 410,573	

The amount reported as deferred outflows of resources related to pensions will be recognized as pension expense as follows:

Year Ending		
September 30,	<i>E</i>	Amount
2025	\$	68,379
2026		142,940
2027		257,591
2028		(58,337)
Total	\$	410,573

#### **Actuarial Assumptions**

The total pension liability in the December 31, 2023 actuarial valuation was determined using an inflation assumption of 2.50%, assumed salary increases (including inflation) of 3.00%, an investment rate of return (gross of investment expenses) of 7.00%, and the Pub-2010 mortality tables. The economic assumptions (i.e., investment rate of return, inflation assumption) were applied to all periods included in the measurement, while the demographic assumptions (i.e., mortality tables) were updated for the end of the measurement period. All assumptions used are based on an experience study conducted for the period from 2014-2018.

**Discount Rate** - The discount rate used to measure the total pension liability was 7.18%. The projection of cash flows used to determine the discount rate assumes that employee contributions will be made at the current contribution rate and that employer contributions will be made at rates equal to the difference between actuarially determined contribution rates and the employee rate.

**Projected Cash Flows** - Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

#### **Notes to Financial Statements**

For the Year Ended September 30, 2024

The long-term expected rate of return on pension plan investments was determined using a model in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. The target allocation and best estimates of arithmetic real rates of return as of December 31, 2023, the measurement date, for each major asset class are summarized in the following table:

		Long-term
		Expected
	Target	Rate
Asset Class	Allocation	of Return
Global equity	60.00%	5.25%
Global fixed income	20.00	1.25
Private investments	20.00	7.25
	100.00%	

Sensitivity of the Net Pension Liability to Changes in the Discount Rate - The following presents the Housing Commission's net pension liability at December 31, 2023, calculated using the discount rate of 7.18%, as well as what the net pension liability would be if it were calculated using a discount rate that is 1% lower (6.18%) or 1% higher (8.18%) than the current rate:

	1% Decrease		Assumed	]	1% Increase
	in Rate to	D	iscount Rate		in Rate to
	 6.18%		7.18%		8.18%
Net Pension Liability	\$ 2,127,722	\$	1,223,684	\$	456,078

Pension Plan Fiduciary Net Position - Detailed information about the Plan's fiduciary net position is available in the separately issued financial report. For the purpose of measuring the net pension liability, deferred outflows of resources and deferred inflows or resources related to pension and pension expense, information about the Plan's fiduciary net position and addition to / deduction from fiduciary net position have been determined on the same basis as they are reported by the Plan. The Plan uses the economic resources measurement focus and the full accrual basis of accounting. Investments are stated at fair value. Contribution revenue is recorded as contributions are due pursuant to legal requirements. Benefit payments and refunds of employee contributions are recognized as expense when due and payable in accordance with the benefit terms.

#### **NOTE D - Defined Contribution Pension Plan**

The Housing Commission's Defined Contribution Plan was established by the Housing Commission to provide retirement and death benefits to plan members and beneficiaries. The Plan is administered by a third party on behalf of the participants and the beneficiaries. At September 30, 2023, there were 30 plan members. Plan members have the option of not

#### **Notes to Financial Statements**

For the Year Ended September 30, 2024

contributing to the plan or contributing 2.5% of their payroll. If the employee chooses to contribute the 2.5% of their payroll, the Housing Commission will contribution an additional 7.5%. If the employee chooses not to contribute, the Housing Commission is to contribute 5%. Plan provisions and contribution requirements are established and may be amended by the Housing Commission's Board of Commissioners. In accordance with the Plan contribution requirements, \$113,292 in employer contributions and \$37,764 in employee contributions were made during the year.

### NOTE E - Postemployment Benefits Other Than Pensions (OPEB)

#### **Summary of Significant Accounting Policies**

For purposes of measuring the net OPEB asset, deferred outflows of resources and deferred inflows of resources related to OPEB, and OPEB expense, information about the fiduciary net position of the Bay City Housing Commission's Retiree Benefits Plan (the "Plan") and additions to/deductions from the Plan's fiduciary net position have been determined on the same basis as they are reported by the Plan. For this purpose, the Plan recognizes benefit payments when due and payable in accordance with the benefit terms. Investments are reported at fair value. The Plan does not issue a publicly available financial report.

#### **Benefits Provided**

The Housing Commission provides medical, pharmacy, dental and vision benefits for a closed group of eligible employees and their spouse of record at time of retirement. Benefits are provided through fully-insured plans administered by a third-party insurer.

#### **Participants Covered by the Benefit Term**

At September 30, 2024, the date of the most recent valuation, plan membership consisted of the following:

Inactive plan members or beneficiaries currently receiving benefits	31
Inactive plan members entitled to but not yet receiving benefits	-
Active employees	6
Total participants	37

The Plan is closed to new entrants

#### **Contributions**

By resolution, the Board of Commissioners has been granted the authority to establish and amend the contribution requirements of the Housing Commission and employees to the Plan. The Housing Commission establishes rates based on an actuarially determined rate. For the year ended September 30, 2024, the Housing Commission's annual required contribution was \$0. During the year the Housing Commission paid current retiree premiums of \$136,998 and made \$16,998 of advance funding contributions. Employees are required to contribute \$2,881 for a single or \$6,499 for a two person policy annually.

#### **Notes to Financial Statements**

For the Year Ended September 30, 2024

#### **Net OPEB Asset**

The net OPEB asset reported at September 30, 2024 was determined using a measure of the total OPEB liability and the OPEB net position as of September 30, 2024. The September 30, 2024 total OPEB liability was determined by an actuarial valuation performed as of that date.

Salary increases	3.5%, average, including inflation
Investment rate of return	7.0%, net of OPEB plan investment expense, including inflation
Healthcare cost trend rates	7.25% for 2024 decreasing to 4.5%
Mortality	Pre-retirement: Pub-2010 general employees mortality table without adjustments
	Healthy retirees: Pub-2010 general retiree mortality table scaled by a factor of 106%
	Disable retirees: PubNS-2010 disabled retiree mortality table without adjustment. The morality assumptions include a margin for future mortality improvements using Scale MP-2021 projected fully-generationally form the central year of data 2010.

The long-term expected rate of return on OPEB plan investments was determined using a model in which best-estimate ranges of expected future real rates of return (expected returns, net of OPEB plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. The target allocation and best estimates of arithmetic real rates of return as of the measurement date, for each major asset class are summarized in the following table:

		Long-term
		Expected
	Target	Real Rate
Asset Class	Allocation	of Return
MERS Total Market Portfolio	100%	7.00%

#### **Notes to Financial Statements**

For the Year Ended September 30, 2024

#### Discount Rate

The discount rate used to measure the total OPEB liability was 7.00%. The projection of cash flows used to determine the discount rate assumed that Housing Commission contributions will be made at rates equal to the actuarially determined contribution rates. Based on those assumptions, the OPEB plan's fiduciary net position was projected to be available to make all projected OPEB payments for current active and inactive employees. Therefore, the long-term expected rate of return on OPEB plan investments was applied to all periods of projected benefit payments to determine the total OPEB liability.

#### Changes in Net OPEB Liability (Asset)

Changes in the net OPEB liability (asset) during the year were as follows:

	Increase (Decrease)						
Changes in OPEB Liability (Asset)	Total OPEB Liability	Plan Net Position	Net OPEB (Asset) Liability				
Beginning balance	\$ 1,886,546	\$ 5,200,301	<u>\$ (3,313,755)</u>				
Service cost Interest Change in assumptions	17,975 128,521 (52,263)	- - -	17,975 128,521 (52,263)				
Change in benefit terms Differences between expected and	<del>-</del>	-	-				
actual experience Employer contributions	(180,909)	136,998	(180,909) (136,998)				
Employee contributions Net investment income	-	901,233	(901,233)				
Administrative expenses Benefit payments	(136,998)	(11,692) (136,998)	11,692				
Other Net changes	(223,674)	(120,000) 769,541	<u>120,000</u> (993,215)				
Ending balance	\$ 1,662,872	\$ 5,969,842	<u>\$ (4,306,970</u> )				

Sensitivity of the Net OPEB Liability (Asset) to Changes in the Discount Rate

The following presents the change in the Housing Commission's net OPEB liability (asset), calculated using the discount rate of 7.00%, as well as what the net OPEB liability (asset) would be if it were calculated using a discount rate that is 1% lower (6.00%) or 1% higher (8.00%) than the current rate:

	1% Decrease	Assumed	1% Increase
	in Rate to	Discount Rate	in Rate to
	6.00%	7.00%	8.00%
Net OPEB Liability (Asset)	<u>\$ (4,432,869)</u>	<u>\$ (4,306,970)</u>	<u>\$ (4,160,465)</u>

#### **Notes to Financial Statements**

For the Year Ended September 30, 2024

Sensitivity of the Net OPEB Liability (Asset) to Changes in the Healthcare Cost Trend Rate
The following presents the net OPEB liability (asset) of the Housing Commission, as well as what the Housing Commission's net OPEB liability (asset) would be if it were calculated using healthcare cost trend rates that are 1-percentage-point lower (6.25%) or 1-percentage-point higher (8.25%) than the current healthcare cost trend rates:

	1% Decrease	Assumed	1% Increase
	in Rate to	Rate	in Rate to
	6.25%	7.25%	8.25%
Net OPEB Liability (Asset)	\$ (4,428,705) \$	(4,306,970)	\$ (4,164,687)

#### **OPEB Expense and Deferred Inflows of Resources Related to OPEB**

During the year the Housing Commission recognized a negative OPEB expense of \$868,153. At year-end, the Housing Commission reported deferred inflows of resources from the following sources:

	Deferred
	Inflows of
Description	Resources
Difference between expected and actual	
experience	\$ 78,120
Changes in assumptions	22,568
Total	\$ 100,688

The amount reported as deferred inflows of resources related to OPEB will be recognized as pension expense as follows:

Year Ending	
September 30,	 Amount
2025	\$ 100,688

#### **NOTE F - OTHER INFORMATION**

#### **Concentration of Revenue**

The Housing Commission is dependent upon HUD to fund its operations through operating subsidies and capital funding grants. Total revenue received from HUD for 2024 and 2023 was \$2,066,311 or 41% and \$2,714,465 or 34% of revenue, respectively.

#### **Notes to Financial Statements**

For the Year Ended September 30, 2024

#### Risk Management

The Housing Commission is exposed to various risks of losses related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The Housing Commission manages risk through the purchase of commercial insurance. Management believes such coverage is sufficient to preclude any significant uninsured losses to the Housing Commission. Settled claims have not exceeded this commercial coverage in any of the past three fiscal years.

### **Contingencies**

Under the terms of certain Federal and State grants, periodic audits are required and certain costs may be questioned as not representing appropriate expenditures under the terms of the grants. Such audits could lead to reimbursement to the grantor agencies. Housing Commission management believes disallowances, if any, would be minimal.

#### Notes to Required Supplementary Information

#### **Methods and Assumptions Used to Determine Contribution Rates:**

Defined Benefit Pension Plan

Valuation date December 31, 2022

Methods and assumptions used to determine contribution rates:

Actuarial cost method Entry-age normal

Amortization method Level percentage of payroll, open

Remaining amortization period 15 years

Asset valuation method Open; 10-year smoothed market

Inflation 2.50%

Salary increases 3.75%, net investment expenses, including inflation Investment rate of return 7.60%, net of investment expenses, including inflation

Retirement age 60 years

Mortality 50% Female / 50% Male 2014 Group Annuity Mortality Table

Other information

Changes in assumptions - 2022 - The investment rate of return, net of pension plan investment expense, including inflation was decreased from 7.35 to

7.00 percent

Changes in assumptions - 2020 - The beginning of the year total pension liability was based on the RP-2014 mortality

tables, and the end of the year total pension liability was based upon the Pub-2010

mortality tables

Changes in assumptions - 2019 - The investment rate of return, net of pension plan investment

expense, including inflation was decreased from 7.75 to

7.35 percent

- The rate of wage inflation was changed from 3.75 to 3.0 percent

Changes in assumptions - 2015 - The inflation adjustment was decreased from 3.0 to 2.5 percent

- Salary increases were adjusted

- The investment rate of return, net of pension plan investment expense,

including inflation, was decreased from 8.0 to 7.75 percent

#### Other Postemployment Benefits (OPEB) Plan

Valuation date September 30, 2024

Methods and assumptions used to determine contribution rates:

Actuarial cost method Entry-age normal

Amortization method Level percentage of payroll, closed

Remaining amortization period 1 year

Asset valuation method 10 year smoothed market

Healthcare cost trend rate 7.25% - reduced to 4.5% after 12 years

Salary increases 3.50%

Investment rate of return 6.93%, net of investment expenses, including inflation

Retirement age 60 years or first subsequent year in which would qualify for benefit: Mortality Pre-Retirement: Pub-2010 General Employees Mortality Table

without adjustment

Healthy Retirees: Pub-2010 General Retiree Mortality Table scaled

by a factor of 106%

Disabled Retirees: PubNS-2010 Disabled Retiree Mortality Table without adjustment. The mortality assumptions include a margin for future mortality improvements using Scale MP-2021 projected fully-generationally from the central year of data, 2010.

Other information

Changes in assumptions - 2024

- The investment rate of return was reduced from 7.00% to 6.93%,

per updated guidance from MERS of Michigan.

- The discount rate was reduced from 7.00% to 6.93%, per changes

to the investment rate of return.

- Per-capita costs premiums were updated to reflect experience since

the previous valuation.

- Pre-65 medical trend rates were shifted to maintain the same

immediate rate of 7.25%

 $Changes \ in \ benefit \ terms - 2023 \qquad \qquad - \ The \ contribution \ amount \ for \ retirees \ retiring \ at \ age \ 60 \ with \ 6 \ or \ more$ 

years of service, or at least age 50 with 25 or more years of service was until death has been changed to a monthly stipend of \$250 in lieu of

39

traditional employer-sponsored coverage at age 65.

Changes in assumptions - 2022 - The investment rate of return, net of pension plan investment

expense, including inflation was decreased from 7.35 to

7.00 percent

53

A VETERAN OWNED BUSINESS

#### INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Commissioners Bay City Housing Commission Bay City, Michigan

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the business-type activities of the *Bay City Housing Commission*, a component unit of the City of Bay City, Michigan as of and for the year ended September 30, 2024, and the related notes to the financial statements, which collectively comprise the *Bay City Housing Commission's* basic financial statements and have issued our report thereon dated March 20, 2025.

#### **Report on Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the **Bay City Housing Commission's** internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of **Bay City Housing Commission's** internal control. Accordingly, we do not express an opinion on the effectiveness of the **Bay City Housing Commission's** internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the *Bay City Housing Commission's* financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

# INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Commissioners Bay City Housing Commission Bay City, MI

### Report on Compliance for Each Major Federal Program

### Opinion on Each Major Federal Program

We have audited the *Bay City Housing Commission's* compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of the *Bay City Housing Commission's* major federal programs for the year ended September 30, 2024. The *Bay City Housing Commission's* major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the *Bay City Housing Commission* complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended September 30, 2024.

### Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States, and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the *Bay City Housing Commission* and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the *Bay City Housing Commission's* compliance with the compliance requirements referred to above.

### Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the *Bay City Housing Commission's* federal programs.

### Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the *Bay City Housing Commission's* compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the *Bay City Housing Commission's* compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the *Bay City Housing Commission's* compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the *Bay City Housing Commission's* internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the *Bay City Housing Commission's* internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

### **Report on Internal Control over Compliance**

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Total Department of Housing and Urban Development		\$ 2,066,311		

See accompanying notes to schedule of expenditures of federal awards

### Notes to Schedule of Expenditures of Federal Awards For the Year Ended September 30, 2024

### Note 1 - Basis of Presentation

The accompanying Schedule of Expenditures of Federal Awards (the "Schedule") includes the federal award activity of the *Bay City Housing Commission* under programs of the federal government for the year ended September 30, 2024. The information in this schedule is presented in accordance with the requirements of Title 2 *U.S. Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards* (Uniform Guidance). Because the schedule presents only a selected portion of the operations of the *Bay City Housing Commission*, it is not intended to and does not present the financial position, changes in net position or cash flows of the *Bay City Housing Commission*.

#### Note 2 - Summary of Significant Accounting Policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following cost principles contained in Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

For purposes of charging indirect costs to federal awards, the *Bay City Housing Commission* has elected not to use the 10 percent de minimis cost rate as permitted by 2 CFR section 200.414 of the Uniform Guidance.

### Note 3 - Subrecipients

None of the federal expenditures presented in the Schedule were provided to subrecipients.

### **Schedule of Findings and Questioned Costs (continued)**

For the Year Ended September 30, 2024

### Other Matters

We applied certain limited procedures to the management's discussion and analysis, schedule of changes in Housing Commissions net pension liability and related ratios, schedule of employer's net pension liability, pension system schedule of Housing Commission contributions, retiree healthcare system schedule of changes in Housing Commissions net OPEB liability and related ratios, schedule of employer's net OPEB liability, retiree healthcare system schedule of Housing Commissions OPEB contributions and schedule of investment returns, which are required supplementary information (RSI) that supplements the basic financial statements. Our procedures consisted of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We did not audit the RSI and do not express an opinion or provide any assurance on the RSI.

We were engaged to report on the financial data schedules, which accompany the financial statements but are not RSI. With respect to this supplementary information, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with accounting principles generally accepted in the United States of America, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

### Restriction on Use

This information is intended solely for the use of the Board of Commissioners and management of the *Bay City Housing Commission* and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

Smith + Klanking PC

# GREAT LAKES COMMUNITY DEVELOPMENT PARTNERS ORGANIZATIONAL DOCUMENTS MARCH 26, 2025

### WRITTEN CONSENT OF SOLE INCORPORATOR GREAT LAKES COMMUNITY DEVELOPMENT PARTNERS

William G. Phillips, as the incorporator of Great Lakes Community Development Corporation, a Michigan nonprofit corporation (the "*Corporation*"), hereby appoints Deb Kiesel, Jim Whaley, Ann Grady, Sharon Brown, Louise Ryan, John C. Neeb, and William G. Phillips to serve as the initial Board of Directors of the Corporation for until the next annual meeting of the Board of Directors and their successors are duly elected and qualified or until their earlier resignation or removal.

Dated	, 2025	
		William G. Phillips

### UNANIMOUS WRITTEN CONSENT OF THE BOARD OF DIRECTORS OF GREAT LAKES COMMUNITY DEVELOPMENT PARTNERS

The undersigned constitute all of the members of the Board of Directors of Great Lakes Community Development Corporation, a Michigan nonprofit corporation (the "*Corporation*"). By execution of this Consent, the Directors hereby authorize and consent to the following actions:

**RESOLVED**, that the Articles of Incorporation of the Corporation attached hereto as Exhibit A are hereby ratified, confirmed and approved as the Corporation's articles of incorporation.

**FURTHER RESOLVED**, that the proposed Bylaws of the Corporation attached hereto as Exhibit B are hereby adopted and approved as the Corporation's bylaws.

**FURTHER RESOLVED**, that the proposed Conflicts of Interest Policy of the Corporation attached hereto as <u>Exhibit C</u> is hereby adopted and approved as the Corporation's conflicts of interest policy.

**FURTHER RESOLVED**, that the designation by the Corporation's incorporator of Deb Kiesel, Jim Whaley, Ann Grady, Sharon Brown, Louise Ryan, John C. Neeb and William G. Phillips as the initial Directors of the Corporation is hereby ratified and approved, and each of such Directors shall hold office for a period of one year and until his or her successor or successors are duly elected and qualified, or until his or her earlier resignation or removal.

**FURTHER RESOLVED**, that the following persons are hereby appointed to serve as officers of the Corporation, holding the offices indicated opposite their names for a period of one year and until their respective successors are duly appointed or elected, or until their earlier resignation or removal:

NameTitleWilliam G. PhillipsPresidentJohn C. NeebTreasurerSharon BrownSecretary

**FURTHER RESOLVED**, that the fiscal year of the Corporation shall begin on January 1 and end on December 31 in each year, with the initial fiscal year to commence on the date of incorporation of the Corporation and end on December 31 of the following year.

FURTHER RESOLVED, that the proper officers of the Corporation are hereby authorized to take all actions and to execute and file all instruments necessary or appropriate in order to qualify the Corporation under any law or laws in any state,

country or other jurisdiction in which it is necessary or expedient for the Corporation to conduct activities, including without limitation the appointment and substitution of agents or attorneys for service of process, and the designation and change of statutory offices, and to effect withdrawal from any state, country or other jurisdiction whenever it is deemed expedient for the Corporation to cease conducting activities therein.

**FURTHER RESOLVED**, that the proper officers of the Corporation are hereby authorized to make all such filings with the governmental entities of the United States or of any state, country or other jurisdiction as may be deemed necessary, appropriate or convenient in connection with the conduct of the affairs of the Corporation, including filings to establish and maintain federal and state tax exemptions.

**FURTHER RESOLVED**, that the establishment of one or more commercial accounts (the "Accounts") by the Corporation with such bank or banks selected by the proper officers of the Corporation and the forms of resolutions of such bank or banks establishing the Accounts are hereby adopted, confirmed and approved. Each of the officers of the Corporation was and is authorized, on behalf of the Corporation, to sign and deliver all documents establishing the Accounts and to perform all acts and obligations contemplated by such documents, and to sign any certificate included on the bank's or banks' forms indicating that the Board of Directors has adopted the form of resolutions establishing the Accounts.

**FURTHER RESOLVED**, that all decisions and actions taken, and documents executed, by each of the incorporator, Directors, officers and authorized agents of the Corporation, acting for and on behalf of the Corporation prior to the date of this Unanimous Written Consent, in connection with any of the foregoing matters and any other matters, are hereby approved and ratified in all respects.

**FURTHER RESOLVED**, that the proper officer or officers of the Corporation are hereby authorized and directed to do all things, take all actions and execute, deliver and file all documents as may be necessary or convenient in effecting the foregoing resolutions.

**FURTHER RESOLVED**, that (i) this Unanimous Written Consent may be executed in any number of counterparts, all of which, taken together, shall constitute one and the same Unanimous Written Consent; (ii) a facsimile, electronic mail (including pdf or any electronic signature complying with the U.S. federal ESIGN Act of 2000, Uniform Electronic Transactions Act or other applicable law) or other form of electronic signature on this Unanimous Written Consent shall be deemed to constitute an original signature; and (iii) a copy of this Unanimous Written Consent so executed shall be valid and effective for all purposes.

The undersigned, constituting all of the Directors of the Corporation, have taken and adopted the foregoing actions in lieu of an organizational meeting of the Directors of the

Co	rporation, a	nd all	such action	ns shal	ll have the	sam	e effect as a	vote	of the	Direc	ctors	for

# ARTICLES OF INCORPORATION OF GREAT LAKES COMMUNITY DEVELOPMENT PARTNERS A DOMESTIC NONPROFIT CORPORATION

Pursuant to the provisions of Act 162, Public Acts of 1982, the undersigned corporation executes the following Articles:

#### **ARTICLE I**

The name of the corporation is Great Lakes Community Development Partners.

### **ARTICLE II**

The purposes for which the Corporation (the "Corporation") is formed are:

1. Great Lakes Community Development Partners (the "Corporation") is organized and operated exclusively for charitable purposes set forth in Section 501(c)(3) of the Internal Revenue Code of 1986, as amended ("Code"), or any corresponding provision of subsequent federal tax laws, as a nonprofit community development corporation for the benefit of the Bay City Housing Commission, a public body corporate and politic. Such purposes shall include holding, receiving, investing, and managing funds to be used for the benefit of and to support the programs, operations, and purposes of the Bay City Housing Commission, including the development, financing, investment and management of affordable housing in Bay City, Michigan, and other activities and projects designed to enhance the quality of life in the Bay City community by providing and improving affordable housing opportunities that meet the needs of the community's citizens. The

Corporation shall exercise such powers in furtherance of its corporate purposes as are authorized under the provisions of the Michigan Nonprofit Corporation Act, P.A. 1982, No. 162, as amended (the "Act").

- 2. The Corporation, including all activities conducted incident to its purposes, shall at all times be conducted so as to qualify as an organization described in Section 501(c)(3) of the Code, or any corresponding provision of any subsequent federal tax laws. Notwithstanding any other provision of these Articles of Incorporation (these "Articles"), the Corporation shall not carry on any other activities not permitted to be carried on:
  - a. by a corporation exempt from federal income tax under Section 501(c)(3) of the Code and classified as a supporting organization under Section 509(a)(3) of the Code, or any corresponding provision of any subsequent federal tax laws;
  - b. by a corporation contributions to which are deductible under Section 170(c)(2) of the Code, or any corresponding provision of any subsequent federal tax laws; or
  - c. by a nonprofit corporation under the provisions of the Act, or any corresponding provisions of any subsequent Michigan law.
- 3. No part of the activities of the Corporation shall consist of attempting to influence any legislation by propaganda or otherwise; or directly or indirectly participating in, intervening in (including the publishing or distributing of statements), any political campaign on behalf of or in opposition to any candidate for public office. Notwithstanding any provisions hereof, the Corporation shall not conduct or carry on any activities which themselves are not in furtherance of the stated purposes of the Corporation.
- 4. No part of the assets or net earnings of the Corporation shall inure to the benefit of or shall be distributable to the Corporation's directors, officers, or to other private persons, except that the Corporation shall be authorized and empowered to pay reasonable compensation for services rendered and to make payments and distributions in furtherance of its stated purposes.

### **ARTICLE III**

- 1. The Corporation is formed on a nonstock basis.
- 2. The description and value of its real property assets are: none.
- 3. The description and value of its personal property assets are: none.
- 4. The Corporation is financed under the following general plan: gifts, grants, income from investments, management, operating and other agreements with the Bay City Housing Commission, and other sources.
- 5. The Corporation is formed on a directorship basis.

#### ARTICLE IV

- 1. The name of the resident agent at the registered office is John Neeb.
- 2. The address of the registered office and mailing address of the registered office of the Corporation is: 315 14th Street, Bay City, MI 48708.

### **ARTICLE V**

The name of the incorporator is William G. Phillips. The address of the incorporator is 315 14th Street, Bay City, MI 48708.

#### ARTICLE VI

- 1. To the fullest extent permitted by the Act, the Corporation assumes the liability for all acts or omissions of the Corporation's volunteer directors or volunteer officers occurring on or after the effective date of the relevant provision of the Act, being Section 450.2209 of the Michigan Compiled Laws, granting limited liability, if all of the following are met:
  - a. The volunteer director or volunteer officer was acting or reasonably believed he or she was acting within the scope of his or her authority.
  - b. The volunteer director or volunteer officer was acting in good faith.
  - c. The volunteer director's or volunteer officer's conduct did not amount to gross negligence or willful and wanton misconduct.
  - d. The volunteer director's or volunteer officer's conduct was not an intentional tort.
  - e. The volunteer director's or volunteer officer's conduct was not a tort arising out of the ownership, maintenance, or use of a motor vehicle for which tort liability may be imposed as provided in Section 3135 of the Insurance Code of 1956, Act. No. 218 of the Public Acts of 1956, being Section 500.3135 of the Michigan Compiled Laws.
- 2. It is the intention and purpose of this Article VI that by reason of the foregoing provisions a claim for monetary damages for a volunteer director's or volunteer officer's acts or omissions shall not be brought or maintained against such volunteer director or volunteer officer but shall be brought and maintained against the Corporation.
- 3. Any repeal or modification of this Article VI shall not adversely affect any right or protection of a volunteer director or volunteer officer of the Corporation existing at the time of, or for or with respect to, any acts or omissions occurring before such repeal or modification.
- 4. Notwithstanding anything to the contrary in these Articles, the Corporation shall not be considered to have assumed any liability under this Article VII to the extent that such assumption is inconsistent with the status of the Corporation as an organization described

in Section 501(c)(3) of the Code, or any corresponding provision of any subsequent federal tax laws.

- 5. Except as otherwise provided by law or in the Bylaws of the Corporation, the Corporation's powers shall be exercised by or under the authority of, and the affairs of the Corporation shall be managed by or under the direction of, the Board of Directors.
- 6. Except as otherwise provided in these Articles and subject to applicable provisions of the laws of the State of Michigan, the number of directors, their terms of office, their qualifications, the manner of their election, resignation, removal and replacement, the place, time and manner of conduct of their meetings, the notice required to be given prior to such meetings, the number necessary to constitute a quorum at such meetings, their duties and powers and all other matters relating thereto shall be as from time to time fixed by or provided in the Bylaws of the Corporation.

#### **ARTICLE VII**

A volunteer director or volunteer officer of the Corporation (as "volunteer" and "volunteer director" are defined in the Act, being Section 450.2110 of the Michigan Compiled Laws) shall not be personally liable to the Corporation for monetary damages for breach of the volunteer director's or volunteer officer's fiduciary duty arising under any applicable law. However, this Article VII shall not eliminate or limit the liability of a volunteer director or volunteer officer for any of the following:

- a. The amount of a financial benefit received by a volunteer director or a volunteer officer to which he or she is not entitled.
- b. Intentional infliction of harm on the Corporation.
- c. A violation of Section 551 of the Act, being Section 450.2551 of the Michigan Compiled Laws.
- d. An act that is an intentionally criminal act.
- e. A liability imposed under Section 497(a) of the Act, being Section 450.2497(a) of the Michigan Compiled Laws.

Any repeal or modification of this Article shall not adversely affect any right or protection of any volunteer director or volunteer officer of the Corporation existing at the time of, or for or with respect to, any acts or omissions occurring before such repeal or modification.

#### ARTICLE VIII

In the event of the dissolution of the Corporation, the Board of Directors shall, after paying or making provisions for the payment of all of the liabilities of the Corporation, distribute all assets, real and personal to the Bay City Housing Commission, or if no such organization is in existence, then such assets shall be distributed to such instrumentality of the City of Bay City or such one or

more organizations exempt under section 501(c)(3) of the Code, or any corresponding provisions of any subsequent federal tax laws, with a charitable purpose or purposes analogous to the Corporation's charitable purposes, as the Board of Directors of the Corporation shall determine. Any such assets not so disposed of shall be disposed of by the Circuit Court of Bay County, exclusively for such organization or organizations as said Court shall determine which are organized and operated exclusively for such charitable purposes.

[Signature page follows.]

I, the incorporator, sign my name this	, day of, 2	025.
	William G. Phillips	
	Chief Executive Officer	
	<b>Bay City Housing Commission</b>

### Exhibit B Bylaws

#### **BYLAWS**

OF

#### GREAT LAKES COMMUNITY DEVELOPMENT PARTNERS

### ARTICLE I Offices

Section 1. <u>Registered Office</u>. The registered office of Great Lakes Community Development Partners, a Michigan nonprofit corporation (the "*Corporation*"), shall be located in Bay City, Michigan, or at such place in the State of Michigan as the Board of Directors shall from time to time determine.

Section 2. Other Offices. The Corporation shall have a principal office in Michigan and may also have offices at such other places in or outside of Michigan, as the Board of Directors may from time to time determine or the business of the Corporation may require.

### ARTICLE II Board of Directors

Section 1. <u>Powers</u>. The business and affairs of the Corporation shall be managed by or under the direction of the Board of Directors, who may exercise all such powers of the Corporation and do all such lawful acts and things as are not prohibited by statute or by the Corporation's Articles of Incorporation or these Bylaws.

Section 2. Number, Election, and Tenure. The number of Directors shall be not more than seven (7) nor less than three (3), but such limits in number may be decreased or increased by the Board of Directors. The initial Board of Directors shall consist of the then acting members of the Board of Commissioners of the Bay City Housing Commission and the Chief Executive Officer of the Bay City Housing Commission. Except as otherwise provided by statute, the Articles of Incorporation or these Bylaws, the Directors shall be elected by the Board of Directors at the annual meeting of the Board of Directors (or at a special meeting of the Board of Directors in the case of any Director elected to fill a vacancy or a newly created directorship). Unless otherwise provided by the Board of Directors at the time of election, each Director shall serve for a term beginning with his or her election and continuing for one year and until his or her successor shall be elected and qualified (or until his or her earlier death, incapacity, resignation or removal). Notwithstanding anything to the contrary in these Bylaws, at a majority of the members of the Board of Directors of the Corporation shall be members of the Board of Commissioners of the Bay City Housing Commission, and the provisions of these Bylaws, including but not limited to the provisions of Section 3 of this Article with respect to removal and vacancies, shall be given effect accordingly.

Section 3. Resignation, Removal and Vacancies of Directors. Any Director may resign at any time by giving written notice of his or her resignation to the President, or if there is then a vacancy in such office, to the other members of the Board of Directors. Any such resignation shall take effect at the time specified therein or, if the time at which it shall become effective shall not be specified therein, then it shall take effect immediately, and the acceptance of such resignation shall not be necessary to make it effective. The Board of Directors from time to time in office shall have the power to remove any individual from office as a Director at any time, either with or without cause, by written instrument signed by a majority of the Board of Directors then in office and delivered to the Director being removed and any Director who has not signed such instrument. In the event a Director is also a Commissioner or staff person with the Bay City Housing Commission and vacates their position with the Bay City Housing Commission, they shall also be retired from serving as a Director of the Corporation.

Any vacancy on the Board of Directors may be filled at the annual or special meeting of the Board of Directors at which a quorum is present by a vote of the Board of Directors of the Corporation.

Section 4. <u>Annual Meeting</u>. The Board of Directors shall meet at least annually for the purpose of electing Directors and officers and for the transaction of other business at such time or times as the Board of Directors shall from time to time determine, at such place, on such date and at such hour as shall be specified in the notice of such meeting.

Section 5. <u>Special Meetings</u>. A special meeting of the Board of Directors for any purpose or purposes may be called at any time by the President or by any two (2) Directors or, if only one (1) Director is in office, the sole Director. Each special meeting of the Board of Directors of the Corporation shall be held at such place, on such date and at such hour as shall be specified in the notice of such meeting.

Section 6. Notice; Waiver of Notice. Except as otherwise expressly required by law or waived by the Directors, written notice of each meeting of the Board of Directors shall be given not less than ten (10) nor more than sixty (60) days before the date of the meeting to each Director by mailing such notice, postage prepaid, to the Director at his or her address as it appears on the records of the Corporation, or by facsimile, e-mail or other form of recorded communication, or by personal delivery to such address or to the Director. Every such notice shall state the place, date and hour of the meeting and, in the case of a special meeting, the purpose or purposes for which the meeting is called. Presence at any meeting without objection shall constitute waiver of any required notice.

Section 7. Quorum. Except as otherwise expressly required by law, at each meeting of the Board of Directors of the Corporation, at least a majority of the Directors then in office, whether present in person or by proxy, shall constitute a quorum for the transaction of business. If, at any meeting of the Board of Directors, there shall be less than a quorum present, a majority of those present may adjourn the meeting, without further notice, from time to time until a quorum shall be present. At any adjourned meeting at which a quorum shall be present, any business may be transacted which might have been transacted at the meeting as originally notified.

Section 8. <u>Voting</u>. At each meeting of the Board of Directors of the Corporation, each person who shall be a Director at the date of such meeting shall be entitled to one vote in person or by proxy. Except as otherwise required by law, the Corporation's Articles of Incorporation or these Bylaws, any corporate action to be taken by vote of the Board of Directors shall be authorized by the vote of a majority of the Directors present in person or by proxy at a meeting of the Board of Directors at which a quorum is present.

Section 9. <u>Participation</u>. Members of the Board of Directors or any committee designated by the Board of Directors may participate in a meeting of such Board or such committee by means of conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other. Participation in a meeting pursuant to this Section 9 shall constitute presence in person at such meeting.

Section 10. <u>Action Without Meeting</u>. Any action required or permitted to be taken at any meeting of the Board of Directors or any committee designated by the Board of Directors may be taken without a meeting if all members of the Board of Directors or such committee consent thereto in writing, or by electronic transmission. After an action is taken, the consent or consents relating thereto shall be filed with the minutes of the proceedings of the Board of Directors or such committee in the same paper or electronic form as the minutes are maintained.

Section 11. <u>Compensation and Reimbursement</u>. Members of the Board of Directors and members of any committee designated by the Board of Directors shall not receive compensation for their services as Directors and/or committee members, unless such is authorized by the Board of Directors, in its sole discretion, subject to any limitations thereon set forth by applicable law. Directors and members of any committee designated by the Board of Directors shall be entitled to reimbursement for any reasonable expenses incurred in the management of the Corporation. Directors and members of any committee designated by the Board of Directors may elect to waive compensation or reimbursement.

Section 12. <u>Organization of Meetings of the Board of Directors</u>. At each meeting of the Board of Directors, the President, or in the President's absence, a Director chosen by a majority of the Directors present, shall act as chairman of the meeting. The Secretary, or in the Secretary's absence, any person appointed by the chairman of the meeting, shall act as secretary of the meeting.

Section 13. <u>Conflicts of Interest Policy</u>. The Board of Directors shall adopt a conflicts of interest policy, with such changes, modifications and amendments as the Board of Directors shall, from time to time, approve.

Section 14. <u>Committees</u>. The Board of Directors may, by resolution passed by a majority of the Directors then in office, designate one or more committees, each committee to consist of one or more Directors and to have such duties and functions as shall be provided in such resolution. The Board of Directors shall have the power to change the members of any such committee at any time, to fill vacancies and to discharge any such committee, either with or without cause, at any time. To the extent provided in such resolution, each such committee may

have and exercise the authority of the Board of Directors except as otherwise provided in Section 528 of the Nonprofit Corporation Act of the State of Michigan, Act 162, Public Acts of 1982.

Section 15. <u>Advisory Committees</u>. The Board of Directors may, by resolution passed by a majority of the Directors then in office, designate one or more advisory committee to serve at the pleasure of the Board of Directors, with such duties and functions as shall be provided in such resolution. Appointments to such advisory committee may, but need not, be Directors. The Board of Directors shall appoint and discharge advisory committee members. All actions and recommendations of an advisory committee shall require ratification by the Board of Directors before being given effect.

### ARTICLE III Officers

Section 1. <u>Positions</u>. The elected officers of the Corporation shall be a President, a Secretary, a Treasurer, and such other officers as shall be determined to be necessary or advisable by the Board of Directors. Any two or more offices may be held by the same person, except that an officer shall not execute, acknowledge or verify any instrument in more than one capacity if the instrument is required by law or the Corporation's Articles of Incorporation or these Bylaws to be executed, acknowledged or verified by two or more officers.

Section 2. <u>Election and Term of Office</u>. Each officer of the Corporation shall be elected by the Board of Directors and shall serve for one year (or for such other period as the Board of Directors shall determine upon the election of such officer), and thereafter until his or her successor shall have been duly elected and qualified or until his or her earlier death, incapacity, resignation or removal. Officers may be elected to an unlimited number of successive terms.

Section 3. Resignation and Removal of an Officer. Any officer may resign at any time by giving written notice to the Board of Directors, the President, or the Secretary, and such resignation shall take effect at the time specified therein or, if the time when it shall become effective shall not be specified therein, then it shall take effect immediately, and the acceptance of such resignation shall not be necessary to make it effective. All officers elected by the Board of Directors shall be subject to removal at any time by the Board of Directors, with or without cause, at any meeting of the Board of Directors at which a quorum is present, or by written instrument signed by a majority of the Board of Directors then in office and delivered to the officer being removed and any Director who has not signed such instrument.

Section 4. <u>Vacancies</u>. If any vacancy shall occur in any office for any reason, the Board of Directors may elect or appoint a successor to fill such vacancy for the remainder of the term.

Section 5. <u>President</u>. The President shall be the chief executive officer and shall preside at all meetings of the Board of Directors. The President shall ensure that all orders and resolutions of the Board of Directors are carried into effect. The President, in general, shall perform all duties incident to the office of a president and chief executive officer of a corporation, subject to the control of the Board of Directors.

Section 6. <u>Secretary</u>. The Secretary shall keep the minutes of the Corporation, shall give notice of the meetings in accordance with the provisions of these Bylaws or as required by law, shall be custodian of the records and, if any, the seal of the Corporation, and, in general, shall perform all duties incident to the office of a secretary of a corporation, subject to the control of the Board of Directors.

Section 7. <u>Treasurer</u>. The Treasurer shall keep the fiscal accounts of the Corporation, shall have charge of and be responsible for all funds, receipts and disbursements of the Corporation and, in general, shall perform all duties incident to the office of a treasurer of a corporation, subject to the control of the Board of Directors.

Section 8. <u>Powers and Duties of Other Officers</u>. All other officers of the Corporation shall have such authority and perform such duties in the management of the Corporation as may be provided by the Board of Directors and, to the extent not so provided, as customarily pertain to their respective offices, subject to the control of the Board of Directors.

Section 9. <u>Compensation</u>. No officer of the Corporation shall receive compensation for services rendered, unless such is authorized by the Board of Directors, in its sole discretion, subject to any limitations thereon set forth by applicable law. Any officer may elect to waive compensation.

### ARTICLE IV Indemnification and Liability Limitation

Section 1. Indemnification: Third Party Actions. Subject to, in accordance with, and except as otherwise provided in the Corporation's Articles of Incorporation, the Corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the Corporation) by reason of the fact that the person is or was a director, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit or proceeding if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the Corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe the person's conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which the person reasonably believed to be in or not opposed to the best interests of the Corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that the person's conduct was unlawful.

Section 2. <u>Indemnification</u>: <u>Actions By or in the Right of the Corporation</u>. Subject to, in accordance with, and except as otherwise provided in the Corporation's Articles of Incorporation, the Corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the

Corporation to procure a judgment in its favor by reason of the fact that the person is or was a director, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses (including attorneys' fees) actually and reasonably incurred by the person in connection with the defense or settlement of such action or suit if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the Corporation and except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the Corporation unless and only to the extent that the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the court shall deem proper.

Section 3. Expenses Subject to Indemnification. To the extent that a present or former director, officer, employee or agent of the Corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in Sections 1 or 2 of this Article IV, or in defense of any claim, issue or matter therein, such person shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection therewith.

Section 4. <u>Authorization of Indemnification</u>. Any indemnification under Section 1 or 2 of this Article IV (unless ordered by a court) shall be made by the Corporation only as authorized in the specific case upon a determination that indemnification of the present or former director, officer, employee or agent is proper in the circumstances because the person has met the applicable standard of conduct set forth in Section 1 or 2 of this Article IV, as applicable. Such determination shall be made, with respect to a person who is a director or officer at the time of such determination, (a) by a majority vote of the directors who are not parties to such action, suit or proceeding, even though less than a quorum, or (b) by a committee of such directors designated by majority vote of such directors, even though less than a quorum, or (c) if there are no such directors, or if such directors so direct, by independent legal counsel in a written opinion.

Section 5. Expense Advances. Expenses (including attorneys' fees) incurred by an officer, director, employee or agent in defending any civil, criminal, administrative or investigative action, suit or proceeding may be paid by the Corporation in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of such director, officer, employee or agent to repay such amount if it shall ultimately be determined that such person is not entitled to be indemnified by the Corporation as authorized in this Article IV. Such expenses (including attorneys' fees) incurred by former directors and officers or other employees and agents may be so paid upon such terms and conditions, if any, as the Corporation deems appropriate.

Section 6. Other Rights Not Affected. The indemnification and advancement of expenses provided by, or granted pursuant to, this Article IV shall not be deemed exclusive of any other rights to which those seeking indemnification or advancement of expenses may be entitled as a matter of law or pursuant to any bylaw, agreement, vote of disinterested directors or otherwise, both as to action in such person's official capacity and as to action in another capacity while holding such office. A right to indemnification or to advancement of expenses arising

under a provision of the Corporation's Articles of Incorporation or a bylaw shall not be eliminated or impaired by an amendment to such provision after the occurrence of the act or omission that is the subject of the civil, criminal, administrative or investigative action, suit or proceeding for which indemnification or advancement of expenses is sought, unless the provision in effect at the time of such act or omission explicitly authorizes such elimination or impairment after such action or omission has occurred.

Section 7. <u>Insurance</u>. The Corporation shall have the power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against such person and incurred by such person in any such capacity, or arising out of such person's status as such, whether or not the Corporation would have the power to indemnify such person against such liability under this Article IV.

Section 8. Consistency with the Code Required. Notwithstanding anything to the contrary set forth in this Article IV or these Bylaws, no indemnification of any person shall be made in any instance in which such indemnification is inconsistent with any provision of section 501(c)(3) of the Internal Revenue Code of 1986 and further classified as a supporting organization under Section 509(a)(3), as amended (the "Code"), or any corresponding provision of any subsequent federal tax laws.

### ARTICLE V General Provisions

Section 1. <u>Execution of Instruments</u>. All checks or demands for money and notes of the Corporation shall be signed by such officer or officers or such other person or persons as the Board of Directors may from time to time designate.

- Section 2. <u>Seal</u>. The Corporation may have a seal of such design as the Board of Directors may adopt. If so adopted, the custody of the seal shall be with the Secretary and he or she shall have authority to affix the seal to all instruments where its use is required.
- Section 3. <u>Fiscal Year</u>. The Board of Directors from time to time shall determine the fiscal year (or calendar year) of the Corporation.
- Section 4. <u>Corporation's Records</u>. Any records maintained by the Corporation in the regular course of its business, including, but not limited to, books of account and minute books, may be kept on, or by means of, or be in the form of, any information storage device, or method provided that the records so kept can be converted into clearly legible paper form within a reasonable time. Any Director shall have the right to examine the Corporation's books and records for a purpose reasonably related to the Director's position as a Director of the Corporation.
- Section 5. <u>Signatures</u>. A facsimile, Portable Document Format (PDF) or other commonly recognized form of electronic signature (e.g., DocuSign) on any notice, consent, proxy or other instrument shall have the same effect as an original signature.

Section 6. <u>Financial Reporting. The Corporation shall report the results of its operations and capital investments as a "Blended Component Unit" of the Bay City Housing Commission.</u>

Section 7. <u>Michigan Open Meetings Act (OMA)</u>. Nonprofits are generally not subject to the OMA unless they are a governmental entity or receive significant public funding and are deemed a public body. By reporting it financial activities to the Bay City Housing Commission as a Blended Component Unit, the Corporation is required to conduct its activities in accordance with the OMA.

### ARTICLE VI Amendments of Bylaws

These Bylaws may be amended, changed, altered, restated and/or repealed, in whole or in part, and new Bylaws may be adopted, by a majority of the votes cast at any meeting of the Board of Directors duly called and at which a quorum is present; provided, however, any amendment, change, alteration, restatement and/or repeal of these Bylaws or any new Bylaws adopted shall be consistent with the Corporation's charitable purpose as set forth in the Corporation's Articles of Incorporation and with its exemption from federal income tax under section 501(c)(3) and further classified as a supporting organization under Section 509(a)(3) of the Code. No amendment of these Bylaws inconsistent with the Corporation's Articles of Incorporation shall be effective prior to amendment of the Corporation's Articles of Incorporation.

These Bylaws were adopted and	approved by the	Board of Directors of Great	Lakes Community
Development Partners as of the	day of	, 2025.	

### Exhibit C Conflicts of Interest Policy

### GREAT LAKES COMMUNITY DEVELOPMENT PARTNERS CONFLICTS OF INTEREST POLICY

### ARTICLE I

#### **PURPOSE**

The purpose of this Conflicts of Interest Policy (the "*Policy*") is to protect the interests of Great Lakes Community Development Partners, a Michigan nonprofit corporation (the "*Corporation*"), when it is contemplating entering into a transaction or arrangement that might benefit the private interest of a member of the Board of Directors, member of a committee with powers delegated by the Board of Directors, or officer of the Corporation. This Policy is intended to supplement but not replace any applicable state laws governing conflicts of interest applicable to nonprofit and charitable corporations.

### ARTICLE II

#### **DEFINITIONS**

### 1. Interested Person.

Any member of the Board of Directors (the "**Board**"), member of a committee with powers delegated by the Board, or officer who has a direct or indirect financial interest, as defined below, is an interested person ("**interested person**").

### 2. Financial Interest.

A person has a financial interest ("financial interest") if the person has, directly or indirectly, through business, investment or family:

- a. an ownership or investment interest in any entity with which the Corporation has a transaction or arrangement, or
- b. a compensation arrangement with the Corporation or with any entity or individual with which the Corporation has a transaction or arrangement, or
- c. a potential ownership or investment interest in, or compensation arrangement with, any entity or individual with which the Corporation is negotiating a transaction or arrangement.

Compensation includes direct and indirect remuneration as well as gifts or favors that are substantial in nature.

A financial interest is not necessarily a conflict of interest ("conflict of interest"). Under Article III, Section 2 of this Policy, a person who has a financial interest shall have a conflict of interest only if the Board or appropriate committee decides that a conflict of interest exists.

59563824.1

### ARTICLE III

### **PROCEDURES**

### 1. Duty to Disclose.

In connection with any actual or possible conflicts of interest, an interested person must disclose the existence of his or her financial interest and all material facts to the Directors and members of committees with Board-delegated powers considering the proposed transaction or arrangement. An interested person must also disclose the nonprofit organizations and governmental entities with which they are associated and the capacity or capacities in which they serve (e.g., employee, director, trustee, officer, volunteer, etc.).

### 2. <u>Determining Whether a Conflict of Interest Exists.</u>

After disclosure of the financial interest and all material facts, and after any discussion with the interested person, he or she shall leave the Board or committee meeting while the determination of whether a conflict of interest exists is discussed and voted upon. The remaining Board or committee members shall decide if a conflict of interest exists.

### 3. <u>Procedures for Addressing the Conflict of Interest.</u>

- a. An interested person may make a presentation at the Board or committee meeting, but after such presentation, he/she shall leave the meeting during the discussion of, and the vote on, the transaction or arrangement that may result in a conflict of interest.
- b. If the Board or committee determines that a conflict of interest does exist, then:
- (i) The President (or in the absence of the President, a Director chosen by a majority of the Directors present) or chair of the committee shall, if appropriate, appoint a disinterested person or committee to investigate alternatives to the proposed transaction or arrangement.
- (ii) After exercising due diligence, the Board or committee shall determine whether the Corporation can obtain a more advantageous transaction or arrangement with reasonable efforts from a person or entity that would not give rise to a conflict of interest.
- (iii) If a more advantageous transaction or arrangement is not reasonably attainable under circumstances that would not give rise to a conflict of interest, the Board or committee shall determine by a majority vote of the disinterested Directors or committee members, as appropriate, whether the transaction or arrangement is in the Corporation's best interest and for its own benefit and whether the transaction is fair and reasonable to the Corporation and shall make its decision as to whether to enter into the transaction or arrangement in conformity with such determination.

### 4. <u>Violations of the Policy</u>.

- a. If the Board or committee has reasonable cause to believe that a Director, officer, or member of a committee with powers delegated by the Board has failed to disclose actual or possible conflicts of interest, it shall inform such person of the basis for such belief and afford such person an opportunity to explain the alleged failure to disclose.
- b. If, after hearing the response of such person and making such further investigation as may be warranted in the circumstances, the Board or committee determines that such person has in fact failed to disclose an actual or possible conflict of interest, it shall take appropriate disciplinary and corrective action including recommendation to the Board of Directors of removal from office or removal from such committee.

### ARTICLE IV

### RECORDS OF PROCEEDINGS

The minutes of the Board and all committees with Board-delegated powers shall contain:

- 1. the names of the persons who disclosed or otherwise were found to have a financial interest in connection with an actual or possible conflict of interest, the nature of the financial interest, any action taken to determine whether a conflict of interest was present, and the Board's or committee's decision as to whether a conflict of interest in fact existed.
- 2. the names of the persons who were present for discussions and votes relating to the transaction or arrangement, the content of the discussion, including any alternatives to the proposed transaction or arrangement, and a record of any votes taken in connection therewith.

### ARTICLE V

### **COMPENSATION COMMITTEES**

A voting member of the Board or any committee whose jurisdiction includes compensation matters and who receives compensation, directly or indirectly, from the Corporation for services is precluded from voting on matters pertaining to such person's compensation.

### ARTICLE VI

### ANNUAL STATEMENTS

Each Director, officer, or member of a committee with powers delegated by the Board of the Corporation shall annually sign a statement which affirms that such person:

- a. has received a copy of the Policy,
- b. has read and understands the Policy,
- c. has agreed to comply with the Policy, and

d. understands that the Corporation is a charitable organization and that in order to maintain its federal tax exemption it must engage primarily in activities which accomplish one or more of its tax-exempt purposes.

### ARTICLE VII

### PERIODIC REVIEWS

To ensure that the Corporation operates in a manner consistent with its charitable purposes and that it does not engage in activities that could jeopardize its status as an organization exempt from federal income tax, periodic reviews shall be conducted. The periodic reviews shall, at a minimum, include the following subjects:

- a. Whether compensation arrangements and benefits are reasonable and are the result of arm's-length bargaining.
- b. Whether partnership and joint venture arrangements and arrangements with other organizations conform to written policies, are properly recorded, reflect reasonable payments for goods and services, further the Corporation's charitable purposes and do not result in inurement or impermissible private benefit.
- c. Whether agreements to provide services and agreements with other organizations further the Corporation's charitable purposes and do not result in inurement or impermissible private benefit.

#### ARTICLE VIII

### **USE OF OUTSIDE EXPERTS**

In conducting the periodic reviews provided for in Article VII, the Corporation may, but need not, use outside advisors. If outside experts are used, their use shall not relieve the Board of its responsibility for ensuring that periodic reviews are conducted.

### CEO REPORT TO THE BOARD OF COMMISSIONERS March 26, 2025

- 1. Central Office Annex Reconstruction As was reported via email on Sunday, March 16, 2025, the Central Office Annex Building sustained substantial damage due a drunken driver hitting the north wall of the building at a high rate of speed. The vehicle traveled about 40 feet through the building and crashed into the executive offices.
- 2. Portfolio Performance As of March 18, 2025, the total physical occupancy for the entire portfolio was 99.2% a fraction above last month's 98.6%. The senior high-rise buildings average 98.5% occupancy. Family high-rise buildings are currently 99.4% and scattered site housing is at 98.4%, down slightly from 100% last report. All occupancy is up fractionally from last period. The overall physical and leased occupancy is steady at 101.2%. As anticipated last month, we have experienced an increase in move-outs in February.

Application/wait list numbers are holding around 602.

Leased and Occupied units are units currently occupied plus "applications approved and scheduled for Move-in" (Leased)

### 3. Update on Capital Fund Improvement Projects

- a. See the attached memo for the Capital Improvements Update.
- **4. HUD Site Visit** Maloney Manor, Smith Manor and Pine Towers. The response to HUD's Site Visit Memorandum is attached.

<sup>&</sup>lt;sup>2</sup> The majority of applications are listed on multiple wait lists. The wait list figures are not accurate per property.

<sup>&</sup>lt;sup>3</sup> Unrestricted, Non ACC and units master-leased.

<sup>4 9/3/2024 -</sup> Waitlist figures indicate the number of units required to fill current applications. The number of applications per household is typically much higher.

- 5. FY2025-2029 Five-Year PHA Plan and FY2026 Annual Plan HUD is directing a Five-Year Plan be processed for the period from FY October 1, 2024, to September 30, 2029, in addition to a new FY2026 Annual Plan. Both plans will be prepared concurrently. Apparently, a discrepancy in the date in the Five-Year Plan covered. Although we submitted a Five-Year Plan to HUD for FY2022-FY2026, it did not reconcile with HUDs schedule. Making this adjustment should return BCHC to the correct schedule for Five-Year Plans.
- **6. Smith Manor NSPIRE (REAC) Inspection** TBD. Rescheduled for a second time.
- 7. Columbus Avenue Blight Removal Project
  - a. Bay County Land Bank Authority Grant Pending determination for EGLE Grant.
  - b. Environmental, Great Lakes, and Energy (EGLE) The EGLE Grant is with the Bay City Brownfield Redevelopment Authority. The Authority and the City Commission are responsible for reviewing and adopting Brownfield Redevelopment Plans. On March 5, 2025, I executed a Development Agreement with the Brownfield Redevelopment Authority that obligates BCHC to complete the development of the Columbus Avenue affordable housing project by October 1, 2028.
- 8. Columbus Avenue Development Agreement Our redlined draft of the proposed Development MOU was returned to Advantix on March 10, 2025. They were asked to finalize the agreement with us by March 26, 2025. At the time of this report, the counterproposal from Advantix was not received. A "closed session" of the Board is scheduled for review and discussion of counter proposal.
- 9. Master Lease with 216 N Madison Avenue Update: Rather than terminate the lease agreement outright, BCHC discussed options for continuing the partnership. Michigan Community Services (MCS) was offered an amendment to the lease term in order to provide BCHC more flexible terms for termination that would facilitate rehabilitation of the property. BCHC owns the building and has not invested any appreciable amount of capital in the property since before 2005. BCHC proposed to continue the partnership with MCS if BCHC was able to substantially rehabilitate the property under the HOME-ARP Program. Under a restructured partnership, MCS would be responsible for leasing the property. After receiving and reviewing the HOME-ARP criteria for housing its Qualified Population, MCS declined to restructure the lease terms also stating they have no current need.
- 10. HOME-Funded Development Project We are preparing construction cost estimates and operating proformas for the rehabilitation of 216 N. Madison Ave. We are receiving possession of the property from the lessee on March 31, 2025. The four townhouse units in the property will be vacant when BCHC is given the keys. The intent is to request funding from the City's HOME Funds for the rehab costs. HOME Proghram will place "affordability" restrictions on the property for a minimum of 20 years. The restrictions will limit occupancy to households earning 60% or less of the area median income.

- **11. FY2024 Audit Report** A presentation of the FY2024 Independent Audit is scheduled for the Board meeting.
- **12. Financial Highlights for the Period** The CFO narrative and financial reports, as of February 28, 2025, are attached with John Neeb's narrative.
- 13. Maplewood Audit Memorandum Report of Maplewood Manor Audit
- **14. Great Lakes Community Development Partners (GLCDP)** –We will present and discuss the Organizational Documents during the Board meeting. Please review these documents carefully, especially the By-laws. Staff is recommending approval and submission of the GLCDP Organizational Documents.

#### **Attachments:**

- 1. Capital Improvement Project Update Memo
- 2. HUD Response to Site Visit Memo
- 3. Monthly Financial Reports for all Business Units

**TO:** William Phillips, Chief Executive Officer

FROM: Karl Opheim, Assistant Director

**DATE:** March 19, 2025

**SUBJECT:** 2025 Capital Improvements Update

Central Annex Office Recovery and Repair. Our insurance claims adjustor was on site Tuesday, March 18<sup>th</sup> and I anticipate we will have our initial scope of repairs by Tuesday, March 25<sup>th</sup>. Our Public Safety Department wanted a structural engineer to review the safety of the exterior masonry wall, and we enlisted MacMillian Associates of Bay City to do this. They recommend a 2"x4" stud frame be placed inside from the roof to the floor as support and we hired Wobig of Saginaw to complete this task, which was completed on Thursday, March 20<sup>th</sup>. We have hired Paul Davis Recovery of Bay City to clean out all the debris, so we have a completely cleared room to begin reconstruction shortly.

Pine Towers, Maloney Manor Fire Alarm Panel Upgrade. Both materials downpayment have been made; engineered drawings of our new controls received. No scheduled yet our project manager speculates it would be May or June 2025.

**Maloney Manor Common Area Floor Covering Replacement.** Bidding specifications and drawings for this project were completed and released to our list of interest flooring contractors on March 7<sup>th</sup>. Bids are due Wednesday, April 2, 2025 at Noon.

**Scattered Site Furnaces.** Update. Two more furnaces were replaced in the last month.

**Scattered Site Replacement Roofs**. I did a drive tour of all our 35 oldest roofs and found five to replace this spring. Our roofing contractor agreed to keep his price the same as last summer. He said roofing suppliers will be increasing materials 10% in April

**Pine Towers stairwell lighting**. We have ordered the new LED stairwell lighting fixtures from Medler Electric at a cost of \$8,300 for 57 fixures. We will qualify for a \$650 rebate from Bay City Electric Department.

March 6, 2025

Patrice Lyons Account Executive **Detroit Satellite Office** U.S. Department of HUD 477 Michigan Ave. 16th FL Detroit, MI 48226

Re: Maloney Manor, Smith Manor and Pine Tower Site Visit Plan of Action

Dear Ms. Lyons:

It was a great pleasure to have you visit our high-rise buildings yesterday. I have excerpted the inspection items you listed in your email to me this morning and shown my responses in "blue" following each item below:

### **Maloney Manor:**

- 1. Ensure HUD information is accessible for tenants (HUD contact information, Rights & Responsibilities, the FACT Sheet and the Rent Schedule).
  - The posted HUD contact information, Rights & Responsibilities, the FACT Sheet and the Rent Schedule are properly posted and was shown your team during the inspection. No further action is required.
- unit needs to be ADA compliant, Check doors, windows, and vents to ensure excessive air is not getting in causing the tenant to be cold. As you are remodeling units throughout the property, please consider updated unit as discussed. Please work with tenants to get the flooring and painting, and other updates as necessary completed. Please follow up with me on the plan of action forward.
  - A work order is attached showing the directions that have been given our maintenance staff to check doors, windows, and vents to ensure excessive air is not getting in causing the tenant to be cold. Based on prior inspections, we have confirmed that the tenant maintains a temperature in the unit well-above normal temperatures, presumably due to health reasons.

Each of our properties comply with all applicable rules and regulations pertaining to
accessibility. We will certainly review the needs of our current population when we
get to a point where we are planning the substantial rehabilitation of each building.
All tenants are always welcome to complete and submit a request for a 504
Reasonable Accommodation/Modification in accordance with our TSP and HUD
Guidelines. All requests are seriously considered. No additional work is required.

### **Smith Manor:**

- 1. Unit Please follow up with me regarding this tenant's rent payment. Please ensure she is paying the correct rent amount.
  - Unit Resident- After talking to the tenant and reviewing her income the tenant was confusing the recertification issue with her situation with the Social Security Administrations notices to her. She isn't concerned about her current rent she is worried about her future rent due to an error with Social Security whereby the SSA sent her a notice stating they overpaid her \$107,800 in benefits due to her working and not reporting. The tenant's SSN was apparently used by another person.

The tenant has made an appointment with the Social Security Administration to get this matter corrected. Her current portion of rent is \$356.00 based off a \$14,225.00 annual income. This issue is pending the tenant's resolution of the income issue with the Social Security Administration whereupon we will recalculate and reconfirm the TTP for the tenant.

- 2. Unit We had a tenant that mentioned a "free table" that use to allow tenants to give things away. She wanted to know what happened to it and/or if possible, would property management be willing to bring the table back for tenants.
  - There were issues with residents bringing clothes to the table in the community room with live bed bugs. The. "Free" table was removed because of the spreading of Bed Bugs, however if tenants choose to give items away nothing can prevent tenants from doing so among themselves. This management issue is resolved.
- 3. Unit Flooring replaced, door to patio needs repaired, the unit needs to be ADA compliant. Please follow up with me with a plan of action forward.
  - As you were informed, Unit is being left "unfinished" at the request of the current tenant. We will certainly complete our punch list when the tenant allows. No further plan is required.

BAY CITY HOUSING COMMISSION PAGE 3

### **Pine Tower:**

1. Unit — Tenants are not happy with the noise and are willing to relocate into a new unit. Please follow up with me on how soon this can happen and/or your plan of action to assist the tenants with relocation.

- All tenants may apply for a Unit Transfer with their current building or to any of our buildings, subject to the program eligibility at each and subject to their position on the transfer wait list. Unit is a two-bedroom unit, we have talked with the resident about relocating her to an area that is less noisy, however it would have to be a 1 bedroom because we only have one 2-bedroom unit. Once the tenant applies to the transfer wait list units will be offered according to our procedure for offering units as they come available in accordance with that procedure. We will make sure the tenant understands the process and makes application for a Unit Transfer. This issue requires no further action plan to activate the tenant's request.
- 2. Unit ADA unit is good except the bathtub. Please ensure the bathtub has a seat to accommodate the tenant. Please follow up with me with a plan of action forward.
- This unit is compliant as a Barrier Free unit. It is the tenant's responsibility to acquire any additional equipment such as a "tub chair" to accommodate their needs. If the tenant makes a 504 Request for Reasonable Accommodation/Modification, we will give it serious consideration. Typically, we provide additional grab bars and equipment that is attached to the unit. Occasionally, we have in storage personal equipment such as tub chairs left behind by prior tenants. If we have such equipment in storage, we will certainly offer it to the tenant.

Respectfully,

William G. Phillips, CCIM Chief Executive Officer

Cc: Tammy Blair, Regional Property Manager John Neeb, CFO Karl Opheim, Asst Director

To: Commissioners of the Bay City Housing Commission

From: John Neeb

**Subject:** Maplewood Manor Audit

Date: 3/21/2025

Copies to: William Phillips, CEO

The Maplewood Manor audit for 2024 has been completed. It was another successful year for the property, both operationally and financially.

### **Key Points**

Audit Opinion: Fairly Stated In All Material Respects

Audit Findings: None

Total Revenue: \$1,827,574
Total Expenses: \$1,839,848
Net Income: (\$12,274)
Operating Cashflow: \$400,156
Distributable Cash: \$581,193

Maplewood Manor continues to exceed expectations. Revenue continues to grow at a rapid pace, and we continue to do a good job of keeping expenses under control. The net loss of \$12,274 represents an adjusted inflation figure. When the rehabilitation of the building was completed in 2015, it was designed to show losses after depreciation. This is part of the reason investors purchased a majority interest in the property. Not only do they get to take tax credits for 10 years, they also get to recognize the tax losses from the property during the 15 year compliance period. The fact that the property is approaching a positive net operating income is a testament to Maplewood being a generally well run and well-funded property.

The distributable cash for the property is down slightly this year compared to last year. This has to do with the timing of escrow reimbursements and replacement reserve reimbursements being significantly higher last year. Essentially, the higher distributable cash from last year was due to timing issues on the release of restricted cash. Distributable cash still remains very strong at \$581,193. The Bay City Housing Commission can expect to receive approximately \$260,000 of that amount and. We can expect to pay about \$21,000 in taxes on that amount and another \$500 for tax preparation. This will net us approximately \$238,500 in cash to the Bay City Housing Commission. Our budget for 2025 was \$215,000. We should comfortably exceed expectations on the distribution for the year.

Every five years we are required to do a Rent Comparability Study (RCS) on Maplewood Manor. We began this process in December of 2024 and it was completed in March of 2025. The result was a 14.4% increase in the gross rent potential of the property. This ensures very strong revenue and distributable cash for at least the next five years.
